Science Expo/ Exhibition

Date: 28.02.2023

The **Wilmot Club** of the Department of Biotechnology, J.J. College of Arts and Science, Pudukkottai celebrated **National Science Day** on **28.02.23, Tuesday** to commemorate the discovery of the Raman Effect by Sir Chandrasekhar Venkata Raman. To celebrate his achievements, the Faculties and students organized some activities during the **Science Expo 2K23**. The students prepared many **scientific models** that expressed their views on the effects of Science and technology on their work, education, and ability. To boost their efforts, students from other departments and other College visited the exhibition to witness the performance and understand the concept.

Natural Bio-Care Products (2022-2023)

(Panchagavya, Jeevamrut and Astthamakaraisal)

A total of 23 students studying II M.Sc. Microbiology, prepared (Panchagavya, Jeevamrut and Astthamakaraisal) organic fertilizers and supplied to the nearby farmers at Namanasamuthram in free of cost and they have to create awareness of using biofertilizers and natural Bio-Care products.

Preparation of Panchagavya

Students of II PG Microbiology took an initiative to prepare Panchagavya, a natural organic fertilizer from direct and derived cow products. As the name suggest it uses five products from cow and few more natural ingredients for the fermentation process. The main ingredients are fresh cow dung, cow urine, cow milk, boiled and cooled, fresh cow curd, cow ghee, well ripened bananas, black organic Jaggery, fresh tender coconut water and fresh grape juice. The whole fermentation process taken around 21 days. The potential benefits of this organic fertilizer are keeps away from your plants, develop bigger and better leaves and stem, plant canopy and root system becomes denser and yield will be better in quantity as well as quality.

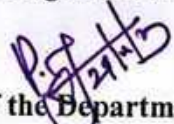

Preparation of Jeevamrut

Jeevamrut is the traditional Indian bio-pesticides and organic manure that is prepared by the unique technique of fermentation of the combined mixture of cow dung, cow urine, Jaggery, pulse flour, soil and water. Not only it's cost effective but it's beneficial for both plants and soil.

Preparation of Astthamakaraisal

Astthamakaraisal an organic preparation that promotes growth of the plants. The ingredients for preparation include fresh cow dung (10 kg), cow urine (10 litres), Jaggery (1 Kg) and water (100 litres). Mix all the ingredients well. This can be used for spray in the next day. Astthamakaraisal or Amirthakaraisal is an effective stimulator, growth promoter, and immunity booster.

The main goal of this project is to help farmers about the preparation of Panchagavya, Jeevamrut and Astthamakaraisal recipe in a perfect ratio. In addition, to create the awareness about the organic farming, use of organic fertilizer etc.

Blood Grouping Camp (2022 – 2023)

04.08.2022

On behalf of Jenner Club, PG and Research Department of Microbiology, organized a free blood grouping camp for the benefit of school students. The camp was conducted under the guidance of Dr.P.Jeevan, Head, Dr.M.Poornima and Ms.S.Vijaya Samoondeswari, Assistant Professor, Ms.R.Karthigai Selvi, Lab Technician belonging to the Department of Microbiology. The 2nd year M.Sc. students registered the student's details and detected the blood group for the students.

A total of 149 blood grouping tests were done which comprises of 67 students studying Sixth standard among them 33 were Girls, 34 were Boys, 11 students studying Tenth Standard among them 1 girl and 10 boys, 27 students studying Eleventh standard among them 17 were girls, 10 were boys, and 44 students studying Twelfth Standard among them 16 were Girls 28 were boys. The testing were started sharply at 10.45 a.m. and ended at 2.00 p.m. Students those who have tested their blood group got a filled in slip about their blood group.

Among the 149 students 40% of students were belonging to "B" Positive blood group, 30% were belonging to "A" Positive blood group, 30% were belonging to "O" Positive blood group and remaining were belonging to "B" Negative, "AB" Positive and "O" Negative. When compared to the girl students more number of boys was tested to make them come forward to donate blood whenever possible and also spread the message of blood donation among masses. Blood grouping is the first step in this direction.

**In Commemoration of 75th Independence day - An Intra Departmental Competition
Model Presentation - 12.08.2022**

In commemoration of 75th Independence Day, Jenner Club of Microbiology conducted an Intradepartmental Competition “Model Presentation” in the theme of “ 75 Years of Scientific Development in Post Independent India”. Azadi ka Amrit Mahotsav is an ongoing event, in which the 75th Anniversary of the Independence of India is being celebrated in India and abroad. In the past seven decades, India has built satellites and sent probes to the moon and Mars, established nuclear power stations, acquired nuclear weapon capability and demonstrated firepower in the form of a range of missiles. Undoubtedly these are all fabulous achievements of Indian scientists and technologies.

In view of this II & III B.Sc. Students, II M.Sc. students of Microbiology Department prepared various models of scientific inventions such as Hydroponic, Robot, Lung Cancer, Transgenic Animal, Sericulture, Automatic street Light with solar panel, Mangalyan, Vikram Lander, DNA Fingerprinting, Drip Irrigation, Rain Detector, Pragyan Rover, Hologram 3D Model, Covid-19 Vaccine, BT Cotton, Cloning, Super Bug, Nuclear weapon and Moon man of India and explained about these models. 125 students studying Twelfth Standard in Karpaga Vinayaga Matriculation Higher Secondary School visited the models prepared by the Microbiology Students and gained knowledge about the 75 years of findings by the Indians in the field of Science.

Dr.G.Manikandan, Head, Department of Biotechnology, acted as a judge and prizes were given to the best model presenter. Dr.P.Jeevan, Head, Department of Microbiology presided over the Competition. Faculties from the Department of Microbiology organized the Competition.

In collaboration with

**DR. MUTHURAJA'S MULTISPECIALITY HOSPITAL, VIRAM DIAGNOSTIC
CENTER-HI TECH LAB, PUDUKKOTTAI**

Organizes a Health Camp at Attangudi, Pudukkottai on 24/08/2022 at 10:30 am

A health camp program was organized by the Summer's Club of Department of Biochemistry, J.J College of Arts and Science(Autonomous), Pudukkottai in association with Dr. Muthuraja's Multispecialty Hospital, Viram Diagnostic center-Hi tech lab, Pudukkottai. The programmes started at around 10:30am at health camp site in Attangudi village along with Dr. S.Kanitha, Assistant Professor and Head, Mr. P. Palaniappan, Assistant Professor and Dr. A.S. Vijayakumar, Assistant Professor, of the Department of Biochemistry, J.J College of Arts and Science(Autonomous), Pudukkottai along with Dr.Monisha, Manager of Dr. Muthuraja's Multispecialty Hospital, Viram Diagnostic center-Hi tech lab, Pudukkottai and P. Rengammal Attangudi village president and 3rd year undergraduate students and team from Dr. Muthuraja's Multispecialty Hospital.

With a formal inauguration programme at Attangudi village, Dr. S. Kanitha, Head of the Department of Biochemistry, welcomed the dignitaries. Dr.Monisha, explained the aims and objectives of special medical camp. Dr. Kaviyarasu MBBS and Dr. Devika MBBS, chief Dr Community Medicine, enlightened the villagers about the increasing trend of both

communicable and non-communicable diseases. P. Rengammal Attangudi village president took part actively in the event and rendered her fullest support in organizing the event successfully.

General Health checkups like ECG, Blood Pressure and Blood sugar level were done to the village inmates. Drugs were also distributed to those who were in need of, free of cost. Main complaints among the adult population were related to back pain and knee pain and were treated symptomatically. As many as 100 people from Attangudi villages were benefited from the health camp.

Diseases found: During the health camp the most common health problem/diseases which were observed were dizziness, giddiness, itching, fever, back pain, joint pain, headache, abdominal pain, body ache, anaemia, weakness, and hypertension.

Medicine dispensed: There were several medicines dispensed among the patients during the health camps. These medicines were - Cefixime tablets, Paracetamol tablets, Ciprofloxacin Hydrochloride tablets, Albendazole tablets, Cetirizine tablets, Dicyclomine Hydrochloride tablets, Amoxicillin capsules, Calcium with vitamin D3 tablets, Povidone Iodine ointment and ORS.

All adults were screened for hypertension and follow up was done for the known hypertensive and diabetic patients. Patients with altered findings and poor adherence to the old treatment were referred to higher centres for further need.

6th National Siddha Day Celebration
Awareness Programme

on
Siddha Diet and Nutrition for Healthy life

The Sumner's club of Biochemistry as part of 6th National Siddha Day Celebration, organized an Awareness Programme on "Siddha Diet and Nutrition for Healthy life" on 12/01/2023 in the Government School located at Attangudi Post, Pudukkottai. Dr. S. KANITHA, Head of the Department of Biochemistry welcomed the gathering. Mr. P. Palaniappan and Dr. M. Sathuvan, Assistant Professor, Department of Biochemistry gave a detailed talk on the importance of Siddha medicine. The word 'Siddha' is derived from a Tamil word 'Siddhi' which means 'achievement' or 'perfection'. The Siddha medicinal system not just focuses on treating the disease but it also takes into account the patient behaviour, environmental aspects, age, habits and physical condition. Also they outlined the medicinal value of the food items that are used daily in our home. They encouraged the students to take healthy diet for maintaining good health besides avoiding junk foods which would deteriorate the health condition of individuals. Students were made aware of the Ayush System of medicine which had greatly helped the Nation's frontline line workers during Covid - 19 with mild infections in building up the immunity against the corona virus and siddha system and other Indian systems can be boasted of India's gift to the medical world. The students were encouraged to make use of the herbs available in their kitchen garden rather than taking up pills from medical shops frequently. The queries arisen by the students were answered. Finally plant saplings with medicinal value were distributed among the students and the faculty members of the school.

Workshop on 'SELF EMPLOYMENT GUIDANCE' Adopted Village People

EXTENSION ACTIVITY – REPORT

Department of Botany J.J. College of Arts and Science, Pudukkottai, S.K. Nursery, Arimalam, Pudukkottai and RESSO, Thirumayam jointly organized a workshop on **SELF EMPLOYMENT GUIDANCE** on 30.01.2023 in adopted village people and students of Botany from 10.00 am to 3.00pm. Dr. M. Arumugam, Head of the Department of Botany welcomed the gathering. Our principal Dr. Parasuraman presided over the occasion Dr.A.N.Sundar, Assistant professor demonstrated the preparation of chalk piece, soap and Herbal sanitizer. Around seventy five participants got benefited; their feedback shows that the workshop is highly useful and will definitely help them in future. A total of 55 peoples and 20 students got benefited; their feedback shows their enthusiasm and interest to learn. The program came to an end with the vote of thanks proposed by Dr.M.Arumugam.

TREE PLANTATION

Department of Botany, J.J. College of Arts and Science (Autonomous), Pudukkottai, has celebrated organic day by planting plants at their homes and Perunkapatti adopted village. The volunteers used biodegradable materials like paper, mud and coconut shell to create plant pots, which are truly environment friendly materials. 36 volunteers participated in this event on October 17th, 2022.

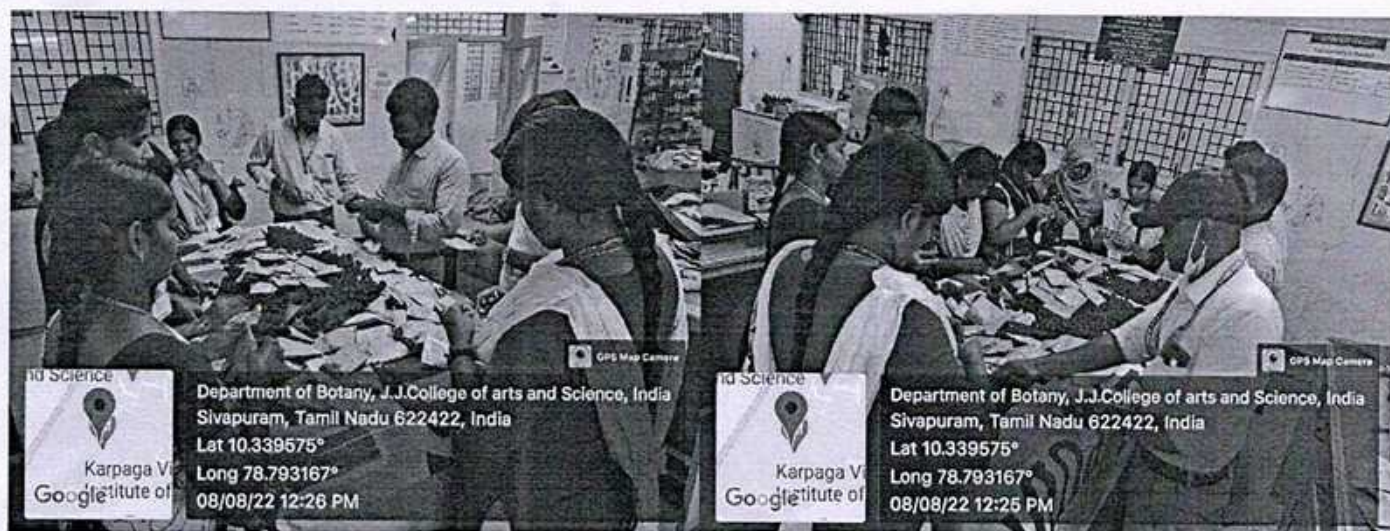

The Professors of the Department of Botany and LGP trust were jointly organized. In the programme Mr. D. Jesudoss Halwin, Managing Trustee LGP explained the uses and needs of the plants which were planted. Dr. M. Arumugam, Head of the Department of Botany, also planted a cinnamon tree. He also explained about how planting trees helps to regulate the temperature and absorb all the carbon dioxide from the air. He also enumerated how planting trees helps to make the surroundings greener and how trees serve as homes to many birds and animals. He also suggested that every student should at least plant one tree per year as it will help the world to fight against global warming. The day's event was brought to an end with the Murugesn, Perungapatti Village vote of thanks. All the students were given a sapling each to plant at home.

SEED BALL PREPARATION**

The 'Seed Balls Production' activity was conducted for Department of Botany J.J. College of Arts and Science (Autonomous), Pudukkottai, and S.K. Nursery, Arimalam. The aim of this activity was to make the student community as well as public aware about the environment and its conservation. Totally a sum of 850 Seed Balls of different vegetable seeds and trees were produced. The Seed Balls were made by mixing soil, compost and seeds. After making the seed balls, they were kept in shade to dry for 24 hours. On 08th August, students made 850 seed balls packed and labeled and they were planned to distribute the 75th Independence Day celebration. The Seed Balls were distributed to all the students as well as the teaching and non-teaching staff members of the College and adopted village. All were requested to plant the Seed Balls in their garden or convenient and favorable areas as a contribution towards a green and healthy environment. The activity was successfully carried out and was appreciated by all.

Awareness Programm on “ Plastic Eradication”

The Department of Chemistry, J.J College of Arts and Science (A), Pudukkottai organized an awareness programme on “Eradication of **Plastics**” at the weekly market on 25.12.2022 in Nachandupatti Village. In this Dr.C.Muthukumar, Head, Department of Chemistry, with 15 students participated and distributed pamphlets to the villagers about the “**Ill effects of Plastics**”. It contained slogans about the negative effects of plastics, diseases, environmental health hazards and harmfulness to animals.

In the next event, Cloth bags were given to the village people and they advised not to use plastics bags in future. In this event around 300 cloth bags were distributed free of cost to the people donated by The Adaikammai Achi Trust, Nachandupatti and District disaster Management, Pudukkottai. This programme was inaugurated by the village president Mr. Chidambaram Chettiyar and ward member Ms.Valliammai Achi. More than 250 people benefited from this programme. Public appreciated this programme was very useful for them.

EXTENSION ACTIVITY REPORT

2022 - 2023

Dr.V.Vani Assistant Professor, PG and Research Department of Computer Science visited the Panchayat Union Primary School, Periyakanakkanpatti, Pudukkottai and delivered a talk on the "Short cut keys in MS-Word" at 10.00 am on 08.02.2023.

She started her talk by giving a brief note on **MS-Word** and its features. She listed out the various features and their uses with suitable examples. She clearly demonstrated how to use the tools in it.

She in her talk explained how to create document and apply short cuts. She also trained the students to use different short cuts using their own document. The students voluntarily came out to learn and also interacted during the questionnaire session and the queries raised by the students were clarified by her.

The arrangements were made by the school Headmistress and the faculty members of the PG and Research Department of Computer Science. 38 students of the school were benefited by this Programme.

Awareness program on Health and Hygiene

Topic : Program on health and hygiene
Date : 17-02-2023
Time : 11:00 A.m
Venue : Melathemuthupatti village, Thekkatur
No. of participants : 32
Presence : Dr. S. Adaekalavan,
Assistant Professor
JJ College of Arts and Science (Autonomous)
Presidentship : Ms. S. Muthulakshmi, president, Thekkatur
Welcome Address : Ms. K. Sagana
Vote of thanks : J. NooralAkeel II B.Com. CA

Activities under extension and outreach program with the Thekkaturpachayath on 17.02.2023, 32 volunteers from II B.Com C.A visited the village melathemuthampatti and took a door to door campaign to keep the village clean and teaches basic hygiene and health practices to villagers. This program aims to overcome one of the major public health challenges of maintaining hygiene. In rural areas people lack the awareness of hygiene leading to severe health damage. Villagers responded positively and the staff of the public health and hygiene namanasamuthiram were surprise to get so many enquiries about health hygiene. They complimented volunteers on their successful campaign.

Two staff members from department of commerce with computer applications accumulated the volunteers and guided them in the effect.

CLEANING OF VILLAGE LAKE

60 student volunteers and five staff members from the Department of Business Administration participated in **cleaning village Lake** at **Kottaiyur** village on **28.01.2023**. They cleaned the village lake removing water weeds and waste plants. Only those students who knew swimming were allowed to get into the tank. The others helped in transporting the waste to an agricultural field nearby in head loads. The students found it a totally different experience and enjoyed doing the work. Volunteers from the self help groups assisted the volunteers. The President of the village panchayat visited the spot on that days and praised the volunteers for their sincere and dedicated service.

Cleaning of Temple

On 12.01.2023, 78 students and 3 staff members from the Department of Business Administration undertook cleaning of the village temple at V kottaiyur village of Thirumayam block. They swept the temple premises, cleaned the flower garden, scrapped and white washed the walls on the first day and cleaned and painted the mandapams on the next. The local young men participated in the cleaning drive along with the student volunteers. The village panchayat treated the students to tea and snacks and the trustees of the temple provided lunch. The whole village was full of youthful activity during the two days. Before leaving the temple premises there was community prayer. The elders of the village appreciated the work done by the volunteers.

Importance of Education – Awareness on 23.01.23

Thirty six students of the Department of English, ,J.J. College of Arts and Science (Autonomous) Pudukkottai, along with three staff members visited Sirunangupatti on 23.01.23 (the village adopted by the Department) in Kavinadu East Panchayat and interacted with the Primary students and spoke on the importance of Education . Education helps in decision making , problem solving and logical thinking. It also breeds creativity and innovation. They also insisted that educating themselves broaden their perspective in that area. The more knowledge they gain they become more skillful and hence they become competitive enough and can meet out their financial needs. The students enthusiastically interacted with them and answering the queries asked by them. They returned to the College in the afternoon.

Awareness on the Importance of Health and Hygiene on 20.12.22

Forty Two students of the Department of English, J.J.College of Arts and Science (Autonomous) Pudukkottai, along with two staff members visited Sirunangupatti on 20.12.22 (the village adopted by the Department) in Kavinadu East Panchayat and interacted with the villagers. Dividing the village people into small groups, the students had a one to one interaction on their socio economic and family profile and sought to promote awareness on issues like Health, Hygiene, Sanitation, child-rearing, children's education, kitchen gardening, nutrition and dietetics. Good personal hygiene is one of the best way to protect themselves from getting gastro or infectious diseases such as Covid 19 ,cold and flu. Good hygiene is vital because it helps to prevent them and their children from getting or spreading germs and infectious diseases. The students also insisted how to keep themselves clean and tidy . The villagers enthusiastically interacted with the students ,raising queries and appreciating explanations. The students returned to the College by 3 p.m with satisfaction.
