The English Literary Association of JJ College of Arts and Science (Autonomous), Sivapuram, Pudukkottai organised a student's debate on the theme "Bernard Shaw is greater than Shakespeare" at 11:00 AM on Wednesday, 14.09.2022. Ms. Selvi Head of the Department of English presided over the session. 5 students defended the proposition and 5 others opposed it. The students focused on Shaw's relevance to modern society, his wit and humour, his thematic richness and racy dialogues. They referred to his multi-faceted genius, his hard journey towards success and the awards he won. Similarly Shakespeare was applauded for his omni-humanity, negative capability, the verity of his characters, his poetic and pithy dialogue and his contribution to the growth of English vocabulary. He has emerged as the world's greatest dramatist through his sterling contribution to the art of drama. Though he had only little Latin and less Greek, he was able to emerge as a Titan in literature through observation, assimilation and original modifications. He had become more or less an institution with "Shakespearean" filling whole sections in libraries. The students were quite articulate in their defence and offence. The staff applauded them. The mediator was Prof. S. Navaneethan department of English. He summed-up the arguments presented and commented that both the dramatist were great in their own ways. In her concluding remarks the Head of the Department complimented the students on their oratorical and debating skills.
