Improved CiteScore
We have updated the CiteScore methodology to ensure a more robust, stable and comprehensive metric which provides an indication of research impact, earlier. The updated methodology will be applied to the calculation of CiteScore, as well as retroactively for all previous CiteScore years (i.e. 2018, 2017, 2016...). The previous CiteScore values have been removed and are no longer available.

It is an internationally refereed Research Journal South East Asian Journal of Mathematics and Mathematical Sciences published by the International Society of Mathematics and Mathematical Sciences. The Journal is indexed in Scopus. It may be noted all Scopus indexed journals are part of IFGC-CAME Site Group II.

For authors willing to submit papers:
Check the [Call for Papers](#) for details regarding submissions.
Please read the [Guidelines](#) carefully before you submit.
[Submit your Paper](#) following the regulatory Guidelines.

Details of Publication
The Journal is published two volumes of three numbers of issues in each year.
Subscription rates: [Subscription Rates PDF file](#)
[Contact Us](#) if you are interested in the subscription of this publication.

Special Issue
Proceedings of International Virtual Conference on
"Applied Mathematics and Computation: AMC- 2022"

Abstract: We present $dffn\mathbb{Z}_n$ functions and investigate some of their features in $dffn$ in this research.

Keywords and Phrases: $dffn\mathbb{Z}_n$, $dffn\mathbb{Z}_n$, $dffn\mathbb{Z}_n$, $dffn\mathbb{Z}_n$.

2020 Mathematics Subject Classification: 05C72, 43B05, 54A40.

RESEARCH ARTICLE

A Solution for Single - Objective Vehicle Routing Problem with Time Windows using Genetic Algorithms

V.Bugy Mettilda¹ and M.Meenal²

¹Assistant Professor in Mathematics, Arputha College of Arts and Science, Vamban, Pudukkottai, Tamil Nadu, India.

²Assistant Professor in Mathematics, J.J College of Arts and Science (Autonomous), (Affiliated to Bharathidasan University, Tiruchirappalli), Pudukkottai, Tamil Nadu, India.

Received: 12 May 2022

Revised: 04 June 2022

Accepted: 06 July 2022

*Address for Correspondence:
V.Bugy Mettilda
Assistant Professor in Mathematics,
Arputha College of Arts and Science,
Vamban, Pudukkottai,
Tamil Nadu, India.

ABSTRACT

The Vehicle Routing Problem with Time Windows (VRPTW) is the creation of the least expensive routes between one depot and a group of geographically dispersed depots. Products must be delivered to each
