Report of the Alumni Meet (2022)

04.12.2022

On behalf of Jenner Club an Alumni Meet (2022) was organized by the Department of Microbiology on **04.12.2022 for the batch 2015, 2016 and 2017**. The alumni meet is to reconnect with the Alumni and celebrate their success and various achievements. It was very heart warming and emotional moment for everybody. The Alumni started arriving in college by **10.00 a.m.** and they were received by the registration team and they have been asked to fill the registration form. The Alumni Meet started with a welcome address by **Dr.P.Jeevan, Head, Department of Microbiology**. The meeting was graced by the Principal **Dr.J.Parasuraman**.

There were around 47 alumni who came for the function. The meet aimed to provide a platform for alumni to engage in fun-filled activities while challenging themselves and cheering their peers. The alumni altogether contributed the amount of **Rs.50,000** for the development of Laboratory and Library facilities in the Department. They were taken on a campus tour where they revisited the familiar place where they had studied and were shown the various developments that had taken place since then. The sumptuous lunch buffet was a delightful spread of dishes, including classic favourites and new recipes. The lunch was not just about the food; it was more of an opportunity for the alumni to catch up with each other and relive old memories.

Alumni also interacted with the students and gave motivational talk regarding preparing for higher studies and placements. Students asked many questions regarding placements and the alumni shared their views. There was a healthy dialogue among alumni, faculty and students regarding future plans to be executed at department as well as Institute level. Vote of thanks was given by **Dr.M.Poornima, Alumni Association Secretary**. A wonderful event ended successfully on pleasant and emotional note of various alumni.

Head of the Department

Dr. P. JEEVAN, M.Sc., M.Phil., Ph.D.
