## STUDENT ATTRIBUTES FACILITATED BY THE INSTITUTION

Our College and the Core Values of the NAAC are facilitated, Entrepreneurship and Social Responsibility, in the following ways:

- There is constant upgradation of ICT in the college, facilitating all systems relating to students in the college, namely teaching, learning, examinations, administration, financial transactions, including MIS.
- The Initiative was taken to prepare staff for ICT based teaching technologies for which periodical trainings were given in ICT Mode of teaching and testing. During this accreditation period staff was prepared in SMART class teaching techniques.
- Staff were also prepare E-Content / Video Lessons and the positive outcome was that over 150 ICT lessons were prepared by staff and scrutinized by subject experts and the approved E-lessons / Video lessons are uploaded and utilized for teaching and learning process.
- Curricula and courses are designed to meet the demands of not only knowledge- delivery, but also the task of imparting employability and life skills and a sense of social and professional ethics
- There is due provision for extension activities and social service through the NSS, YRC, Rotract etc., and in sync with Governmental and Non-governmental agencies engaged in social welfare/extension activities
- Social and civic sense is cultivated through Guest Lectures, Seminars, debate etc. and the observance of days of National importance with due spirit.
- There are scholarships to help students from the economically weaker sections and those from marginalised sections, granted by the Management voluntary organizations and Government.
- There is a Women Empowerment Wing in the College and Gender ethics and equity are thrust areas in Campus life.
- The curriculum was further strengthened adding courses to promote employability, entrepreneurial potential, skill development and social orientation.

- There are excellent student support services such as Mentoring, Career counselling and training, Personal counselling, Entrepreneurial training, leadership training and legal aid.
- Humanizing cultural activities that serve as outlets to creative talent are organized in items like music, drama and dance etc. We also host intercollegiate competitions and send our students to participate in such events.
- Sports and games are a priority area in the Campus. We have a state of the art sports infrastructure and host many intercollegiate and University level competitions. We also depute our staff as coaches to University teams, when the demand is made. Coaching camps are also frequently organized.
- Students are trained and carry out practice in the field of sports in order to take part in various competitions like Kabbadi, Kho-Kho, Basket Ball, Table Tennis, Cricket, Badminton, Volley ball etc.
