FREE MUSHROOM CULTIVATION TRAINING

Date : 18.12.2021

Time : 10.00 am

The Sumner's club of the Department of Biochemistry, J.J. College of Arts and Science(Autonomous),Pudukkottai organized a Free Mushroom Cultivation Training Programme at Thekkattur village, Pudukkottai Dt, in association with **Social Agriculture Children's Education & Women Development Trust (SACEWD Trust), Pudukkottai.**

In the August presence of the President of Thekkattur Grama Panchayat Thirumathi. S.Muthulakshmi and people of the Thekkattur village, the programme started at 10:00 am on 18.12.2021 (Saturday). Dr. S. Kanitha, Head, Department of Biochemistry, welcomed the gathering. More than 100 villagers participated in mushroom training. The faculty members of the Department of Biochemistry, Mr. P. Palaniappan, Dr. R. Ramesh and Dr. Baskara Boopathy described in detail the steps to be followed for the cultivation, maintenance and harvesting of the mushrooms. They emphasized the precautionary steps to be undertaken for the prevention of contamination/infection during the cultivation process. The participants got themselves involved actively and prepared mushroom bags. The aseptic condition, one of the most important aspect in the mushroom cultivation was highlighted. 10 students from the final year undergraduate programme rendered their helping hands in conducting the programme successfully. The villagers were made aware of the different cultivation methodologies adopted for oyster mushroom and milky mushroom. Also the nutritive value of the mushroom was explained in detail. Altogether the importance of cultivating the mushrooms was foreground through this programme.

Face mask donation Programme

P.G. Research Department of Botany, J.J. College of arts and Science (Autonomous), Pudukkottai, and LGP trust Tirumayam was jointly organized face mask donation camp held on 19.09.2021 at adopted village Virachilai, Tirumayam Union, Pudukkottai. During the pandemic period the camp run smoothly and followed SOP in the presence of Mr. K. Subramaniyam, Union councilor, Tirumayam Union of Pudukkottai. Our students and trust members went to each and every house of the adopted village and donated the face masks and sanitizers.

The students are advised to the people how to wear the masks, proper hand wash and how to maintain the social distancing. They are explained about Covid 19 situation, what are the precaution steps are taken and safety measures are followed. The students demonstrate about the hand washing methods for each village people. Even though, pandemic situation more than 100 people were benefitted and they get aware about the critical situation. The camp was organized arranged by Dr. M. Arumugam, Head, PG and Research Department of Botany.

Tree plantation programme

P.G. Research Department of Botany, J.J. College of arts and Science (Autonomous), Pudukkottai, and LGP trust Tirumayam was jointly organized tree plantation programme was held on 20.06.2021 at adopted village Virachilai, Tirumayam Union, Pudukkottai in the presence of Mr. K. Subramaniyan, Union councilor. Our students and trust members are cleaned and make pit to planted saplings along the road sides, waste lands in and around the Virachilai village

Union councilor was encouraged to the students and pointed out the importance of tree plantation and its benefits. Students are motivated the village people to protect the plants and watering. The programme was arranged by Dr. M. Arumugam, Head, P.G. and Research Department of Botany and Mrs. D. Sagayamary, Secretary, LGP trust, Tirumayam.

Tree plantation Programme

J.J. College of arts and Science (Autonomous) Pudukkottai, P.G. Research Department of Botany and LGP trust Tirumayam was jointly organized tree plantation programme held on 11.04.2021 at adopted village Virachilai in the presence of Union Councilor Mr. K. Subramaniyan. Tree plantation camp was started by the Union Councilor Mr. K. Subramaniyan and planted the saplings in the pits. He points out that, the students must grow the trees in your area and make green environment and save the nature.

Students and trust member make pit in and around the village streets, riverbanks, pond banks. They make the pits and planted several tree saplings. After planting they

watering then add manuring and fencing. Students are asked to the people to grow and maintain the trees with special care and attention. More than 150 students are actively participated that event in genuine manner. The programme was arranged by Dr. M. Arumugam, Head, P.G. and Research Department of Botany and Mrs. D. Sagayamary, Secretary, LGP trust, Tirumayam.

Tree Plantation Programme

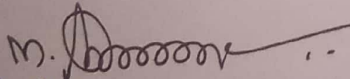

P.G. Research Department of Botany, J.J. College of arts and Science (Autonomous), Pudukkottai, and LGP trust Tirumayam was jointly organized tree plantation programme held on 07.03.2021 at adopted village Virachilai in the presence of Union Councilor Mr. K. Subramaniyan. The tree plantation camp was started by the Union Councilor Mr. K. Subramaniyan and planted the saplings in the pits. He suggested the students to the importance and value of trees and motivated them. Students and trust members made the pits in and around the Virachilai village.

Finally they planted more saplings, watering and apply the manure over it. Students are very much interested to plant the trees. Students are asked to the village people to maintain and care to grow the trees. Finally they advised the people to growing more trees and keep the environment very clean. This programme was arranged by Dr. M. Arumugam, Head, P.G. and Research Department of Botany and Mrs. D. Sagayamary, Secretary, LGP trust, Tirumayam.

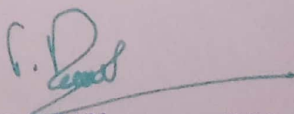

Swachh Bharath Programme

P.G. Research Department of Botany, J.J. College of arts and Science (Autonomous), Pudukkottai, and LGP trust Tirumayam was jointly organized Swachh Bharath camp held on 09.02.2021 at adopted village Virachilai. The camp was inaugurated at 10 am in the presence of Union Councilor Mr. K. Subramaniyan, Tirumayam Union, Pudukkottai. He pointed the Swachh Bharath scheme and the importance of sanitation and hygienic. He also suggested that allow and keeps the environment in very clean and neatly.
