The programme was inaugurated at 9.30 a.m on **05.05.2022** with the participants checking in and completing registration formalities. The first session was addressed by **Dr.N.Hari Prasad**, CHRO & Customer Delight Specialist, Casagrand Real Estate & Builders Ltd., Chennai. Speaking on the topic, '**Soft Skills for Career Plan**', he pointed out the importance of behavioural and sociability skills in modern business. Efficient managers have to be sound in soft skills in order to succeed in team building, client negotiations and public relations. Everything was important from the neck tie to the shoe lace. One had to be spick and span in one's turnout. Efficient communication through right words in the right order spoken with the correct accent and intonation and right body language will carry one far towards success. One has to cultivate all the skills needed for career building. One will have to adapt oneself to changes in the administrative structure and shifts in job roles. This requires constant updation of skills.

In the second session **Mr.Sri Senthil**, Managing Partner, Groupin Technology, Chennai & writer and director of the Tamil movie, Kaalidas spoke on "**Leadership by Choice**". He told the audience that leadership roles have to be accepted as a pleasure and not as a burden. The management may choose you but you have to make it your own choice by living upto the leadership role.

In the next session, **Mr.R.Karthick**, Senior Manager, Data Patterns India Ltd., Chennai gave an **Overview of Defense and Aerospace Electronic Solutions Companies** through a demand and supply analysis. He pointed out that it was of paramount importance to raise to the high levels of technical excellence needed for various operations. This requires trained personnel and an updation of knowledge and skills to meet rising demands.

On Day 2 **06.05.2022(FN)** the participants visited Data Patterns India Ltd., Chennai and got a feel of the process of finding solutions to electronic issues through interaction with the software engineers involved therein . In the afternoon the participants visited Marina Mall and observed the quick business going on there.
