The III UG and II PG students were taken on a three day tour of Kerala from 1.4.22 to 3.4.22 . The party consisted of 71 students and 08 staff. They started from the College by the evening of 1.4.22 and reached Cochin on the morning of 2.4.22. They visited important locations like the Museum, the Harbor and the Venduruthi Island .They were also taken to the beach to give them a glimpse of the Arabian sea. They interacted with tourists from overseas to assess their perceptions on India. The breath taking beauty and majesty of the natural scenery in Gods Own Country and the amazing charm of the billowy - bosomed sea as seen from a motor boat reminded students of the descriptions in Kamala Das and Thakazhi .They could experience the thrill of the music of the wind and the sea and the coconut palms . This fired their poetic imagination and they came back with sweet memories of the vision of the magic that is India. They had also a taste of Kerala cuisine ,folk art forms, and temple architecture. Quite a few of them bought models of Kathakali faces, straw pictures , coir products, small carpets etc. As a follow up the Department conducted an Essay Writing, Painting and Poetry Writing Competitions to ignite the creativity of the students and to bring to light the hidden creativity in the students.
