Department of Hotel Management

2.3.1. Participative Learning – 2021 – 2022

The Participatory Learning Approach engages students as active participants in practical classes, Guest lectures, Workshops and Students Group discussions etc, The PLAS core idea is that students design the total programme and then assess and grade their peers' participation. Each stage can be performed by individuals or by teams.

The Department has a student committee to manage the “**Dukes and Duchess Club**”. The member arrange Guest lectures and Workshops. They welcome the guest, Introduce the guest and Propose the vote of thanks.

The Department conducted practical classes as per the time table. Students gather knowledge about the Culinary skills, Food and Beverage service, Housekeeping and Front office management.

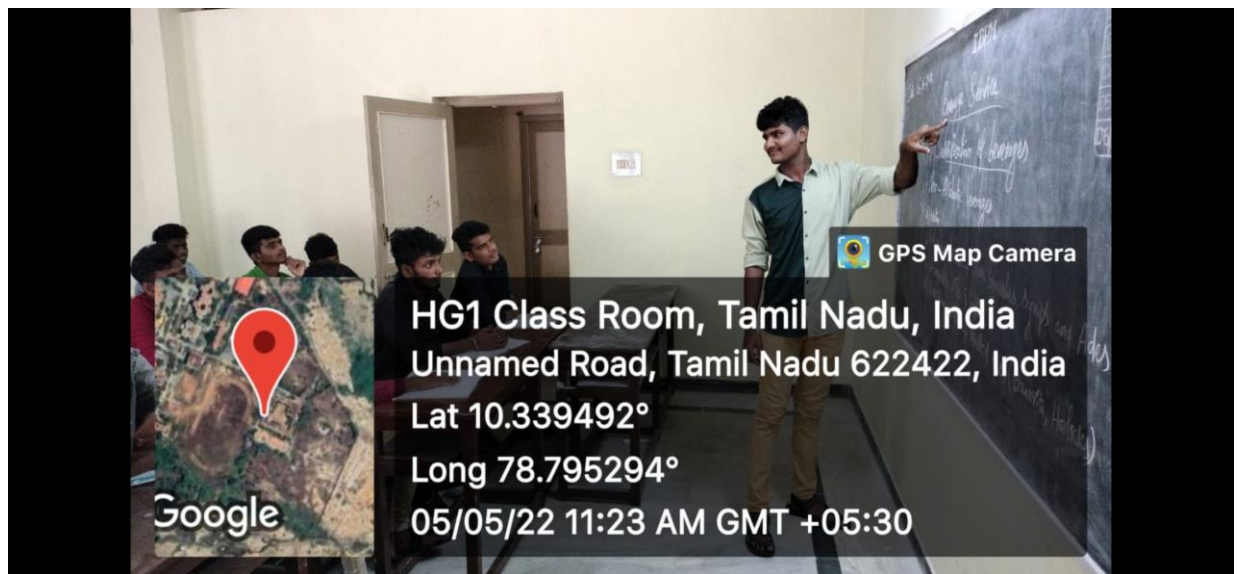

Students Preparing Dishes

The Department regularly conducts Group discussions on the recent scenarios of the Hospitality industry. The students' actively participated in such discussions.

Group Discussion

The Department conducts Seminars for the Students to induce communication skills for the Students.

Seminar

They freely point out the positive and negative aspects of things. The teaching faculty, support and guided the students.
