**DEPARTMENT OF PHYSICS**

The departments of Chemistry and Physics organised a study tour cum industrial visit to **Bangalore** and **Mysore** from 26.03.2022 to 29.03.2022. 125 students and 8 staff members drawn from the two departments participated.

On day one, the party visited the **Visvesvaraya Science Museum**, Bangalore. They visited the Engine hall, Electro technical gallery and the face Technology divisions. The guides patiently explain the items on display and their mode of functioning and historical values. On the lighter side, the students were taken round the "Fun Science" and "Science for Kids" sections. They also saw the model of the wright brother's aeroplane and went round the Physical Chemistry sections and came to know about the functioning of various appliances in industrial Chemistry.

On the day two, the party moved to the **Karnataka Soap factory** and went around the various sections in operation. The personnel there explained the basic processes in soap making and various steps involved like saponification, purification and finishing. They also spoke about the raw materials and additives in manufacturing soaps. The students also surveyed the packing and forwarding divisions. The whole campus had the aroma of sandalwood oil and this added to the pleasure of the visit.

On the day three, visit was to **Brindavan Gardens, the Mysore zoo and the Chamundi Hills and Temple.**

On the day four, the students went to shopping and started their journey back home with hearty memories.
