Title: "Project using Data Mining Concepts "

Date: 20th July 2023

Report

The COMAP Association of the Department of the Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai. Organised a Special Lecture Programme on the forenoon of 20th July 2023 under the President-ship of Dr. J. Parasuraman Ph.D., Principal J.J. College of Arts and Science (Autonomous), Pudukkottai at the Conference Hall.

Dr. K. Ravikumar Ph.D., Associate Professor Department of Computer Science Tamilnadu University, Thanjavur Delivered a Special on "Project using Data Mining Concepts ".

The Resource person delivers the speech about insightful perspectives on the practical application of data mining techniques in contemporary projects. The speaker elucidated various methodologies, such as clustering, classification, and regression, highlighting their effectiveness in deriving actionable insights from vast datasets. Case studies were presented to demonstrate the successful implementation of these concepts across different industries, emphasizing the importance of data quality and ethical considerations in data mining processes. Overall, the lecture underscored the pivotal role of data mining in driving informed decision-making and innovation in today's data-driven landscape.

Title: "Nature Speaks Mathematics – Techies Point Of View"

Date: 27th July 2023

Report

The COMAP Association of the Department of the Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai. Organised a Special Lecture Programme on the forenoon of Thursday 27th July 2023 under the President-ship of Dr. J. Parasuraman Ph.D., Principal J.J. College of Arts and Science (Autonomous), Pudukkottai at the Gallery Hall A/C.

Dr. A. Amutha Ph.D., Assistant Professor Department of Mathematics The American College (Autonomous) Madurai Delivered a Special on 'Nature Speaks Mathematics – Techies Point Of View'.

By the Presidential Address all the freshers of BCA – 2023 were Motivated Highly about their Higher Education Audience were Highly Admired by the Speech of Resource Person. The importance of Mathematics in BCA Curriculum, Enhancing Problem solving and Creative skill through Mathematics were the focus of the special lecture. She told that the Fibonacci series, finding Factorial, and Various series and their usage were seen in living things. The arrangement of leaves and petals of flower are expose the principles of Trigonometry.

The Head Department of Computer Applications Inspired the Freshers by his felicitation address. Dr. K. Selvan Ph.D., Introduce the Guest Mr. Abdul Niaz Khan Final MCA Student Welcomed the gathering. Miss. Maheshwari of Final MCA Proposed the Vote of Thanks.

Title: “360 Degree Feminism”

Date: 17th AUGUST 2023

Report

The COMAP Association of the Department of the Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai. Organised a Special Lecture Programme on the forenoon of 17th August 2023 under the President-ship of Dr. S.J.Sathish Aaron Joseph Ph.D., Head, Department of Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai.

Dr. B. Anitha Rani MBA.,M.Phil.,Ph.D Director Karpaga Vinayaga Institute of Management J.J.Nagar Sivapuram,Pudukkottai Delivered a Special on “360 Degree Feminism”.

The Resource person delivers the speech about on 360 Degree Feminism provided insightful perspectives on the multifaceted nature of feminist discourse. The speaker emphasized the importance of an inclusive approach that considers diverse identities and experiences, advocating for intersectionality as a critical component of contemporary feminism. Key themes included the intersection of race, class, sexuality, and gender, highlighting how these factors collectively shape women's experiences and challenges. The lecture encouraged attendees to engage in active allyship and foster dialogues that promote equity and social justice across various spheres. Overall, the session underscored the need for a comprehensive understanding of feminism that embraces complexity and diversity.

Title: "CAD FEST"

Date: 5th and 6th October 2023

Report

The COMAP Association of the Department of the Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai. Organised an Intra-College Programme on the forenoon of 5th and 6th October 2023 under the President-ship of Dr. S.J.Sathish Aaron Joseph Ph.D., Head, Department of Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai.

The Department of Computer Applications recently held its annual event, CAD FEST, an intra-college competition aimed at fostering creativity, innovation, and collaboration among students. This year's fest took place on 5th and 6th October 2023, serving as a platform for students to showcase their skills, engage in healthy competition, and celebrate the advancements in the field of computer applications.

The event featured a diverse range of activities, including coding contests, hackathons, and workshops. Participants demonstrated their technical prowess through various challenges that tested their problem-solving abilities and programming skills. Moreover, the fest included guest lectures from esteemed professionals in the industry, providing valuable insights into current trends and future directions in computer applications.

The event concluded with an award ceremony, where outstanding participants were recognized for their achievements. This acknowledgment not only served to reward excellence but also inspired others to engage more deeply with their studies and pursue their passions within the realm of computer applications.

Title: “Trend Setting Pathway From Classroom To Career”

Date: 10th January 2024

Report

The COMAP Association of the Department of the Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai. Organised a Special Lecture Programme on the forenoon of 10th January 2024 under the President-ship of Dr. S.J.Sathish Aaron Joseph Ph.D., Head, Department of Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai at Conference Hall.

Mr. N. Albhagath, MCA., Cloud Engineer, TATA Consultancy Services(TCS), Chennai Delivered a Special on “Trend Setting Pathway From Classroom To Career”.

The speaker, an industry expert, emphasized the critical role of practical experience and skill development in bridging the gap between academic learning and professional success. Key trends highlighted included the increasing importance of adaptability, lifelong learning, and networking. Attendees were encouraged to actively seek internships and collaborative projects to gain real-world exposure, thereby enhancing their employability in an ever-evolving job market. The lecture underscored the significance of aligning academic pursuits with industry demands to cultivate a successful career trajectory.

Title: “Recent Trends in Machine Learning and its Concepts”

Date: 01st February 2024

Report

The COMAP Association of the Department of the Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai. Organised a Special Lecture Programme on the forenoon of 01st February 2024 under the President-ship of Dr. S.J.Sathish Aaron Joseph Ph.D., Head, Department of Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai.

Mr. R. Susil Kumar, M.E., Head, Department of Computer Science Engineering, Sri Raaja Raajan College of Engineering and Technologies, Karaikkudi Delivered a Special Lecture on “Recent Trends in Machine Learning and its Concepts”.

The Resource person discuss about the The Machine Learning comprehensive overview of contemporary techniques and applications within the field. Renowned experts expounded on the fundamentals of algorithms, emphasizing practical implementations in industries such as healthcare, finance, and transportation. Attendees engaged in discussions regarding the ethical implications and future directions of machine learning technologies, fostering a collaborative environment for knowledge exchange. Overall, the lecture enriched the understanding of machine learning, highlighting its transformative potential in various sectors.
