AN INTERCOLLEGIATE COMPETITION

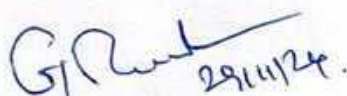

18.08.2023

An inter – Colligate Competition fest “**BIOSPARK 2023**” organized by the P. G & Research Department of Biotechnology and Biochemistry was inaugurated by **Dr. Kavitha Subramanian**, Management Trustee at the College Premises on 18th August 2023. The day began with a very auspicious note with the invocation of god’s blessing followed by the Tamizh Thai Vaazhthu and official inauguration of the fest by Dr. Kavitha Subramanian by lighting the lamp. Our honorable Principal **Dr. J. Parasuraman** welcomed the gathering **Dr. Kavitha Subramanian** an felicitation address .He delievered a valuable speech and wished the organizers a grand success. **Dr. G. Manigandan**, Head, Department of Biotechnology delivered the vote of thanks . He wished all the participants for the best performance.

The main purpose of the competition was to exchange ideas and innovative performance of different colleges. Three onstage events: Hunky Brains (Quiz), Mad Lads Ad (Creative advertisement making), Slick Flick (Short film making) and four offstage events: Colourful hands (Scientific rangoli), Picture Patch (Photography), Miniature MasterPieces (Science model making), Capped cook (Flameless cooking) was conducted. Nearly **240 students from 15 Colleges** took part in all the events with great enthusiasm. The schedule of the programme was planned such that all the seven different competitions were organized in parallel sessions in separate rooms. Fest provided a bigger platform for students to show cast, learn and exchange their cultural and intellectual capabilities. All the events were judged by the professionals in the respective area. The participants were rated on a rating scale of 50 marks and based on the average score of the judge. The first three winners were finalized. The winners securing the first , second and third positions in each events were awarded with trophies and certificates. Participation certificates were distributed to all the other participants.

The first place and overall **Winner Trophy** was won by the Department of Biotechnology, **Srimad Anadavan Arts and Science College**, Tiruchirappalli. The 1st runners Trophy was won by Department of Microbiology and Biotechnology, **Sri Bharathi Arts & Science College for Women**, Kalikurichi, Pudukkottai. The 2nd **Runners Trophy** was won by Department of Microbiology, **Maruthu Pandiyar College**, Thajavur.

The official vote of thanks was delivered by **Dr. S. Kanitha**, Head of the department of Biochemistry. The response was received from various colleges and feedback from the participants was positive which was a great boost for us. The overall event was well organized and was a grand success.

NATIONAL SCIENCE DAY CELEBRATION
28.02.2024

The Summer's club of Biochemistry, J.J College of Arts and Science(Autonomous), Pudukkottai celebrated the National Science Day on 28.02.2024. The celebration started with the auspicious Tamil Thai Valzhthu. Dr. S. Kanitha, Head of the Department of Biochemistry welcomed the gathering. Dr. M. Premalatha, Professor, Department of Energy and Environment, National Institute of Technology, Tiruchirappalli was the chief guest.

National Science Day is celebrated throughout our country in commemoration with the discovery of the Raman effect by Sir C. V. Raman the Nobel laureate. In the Department of Biochemistry as part of the National Science Day celebration various competitions were organized like the essay writing, slogan writing, pencil art, rangoli, fireless cookery and quiz. Students took part in the competitions with great enthusiasm. All the competitions focused towards the theme of the National Science Day, 2024 "Indigenous Technologies for ViksitBharth". The students were made to understand the importance of science in the day to day life of each and every one. Also the key role played by the new technologies in the development of betterment of human life on this planet.

The chief guest M. Premalatha, enlightened the students regarding the recent development in the field of science. She insisted that Green energy is an alternative to non-renewable energy sources like fossil fuels. It's derived from natural resources like wind, water, and sunlight, and is often renewable and clean. Green energy emits no or low greenhouse gases and reduces some types of air pollution. Biodiesel lowers particulate matter by 47%, reduces hydrocarbon emissions by up to 67%, and reduces smog. It also reduces wastewater by 79% and hazardous waste by 96%. After a detailed discussion with the students the resource person distributed the prizes and certificates to the winners of the various events. She congratulated the students and wished them to win much more prizes in future also.

Ms. Sameera, pursuing her final year under graduation degree in the Department of Biochemistry, proposed the vote of thanks. The event came to an end with the National Anthem.

Report

The COMAP Association of the Department of the Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai. Organised an Intra-College Programme on the forenoon of 5th and 6th October 2023 under the President-ship of Dr. S.J.Sathish Aaron Joseph Ph.D., Head, Department of Computer Applications, J.J. College of Arts and Science (Autonomous), Pudukkottai.

The Department of Computer Applications recently held its annual event, CAD FEST, an intra-college competition aimed at fostering creativity, innovation, and collaboration among students. This year's fest took place on 5th and 6th October 2023, serving as a platform for students to showcase their skills, engage in healthy competition, and celebrate the advancements in the field of computer applications.

The event featured a diverse range of activities, including coding contests, hackathons, and workshops. Participants demonstrated their technical prowess through various challenges that tested their problem-solving abilities and programming skills. Moreover, the fest included guest lectures from esteemed professionals in the industry, providing valuable insights into current trends and future directions in computer applications.

The event concluded with an award ceremony, where outstanding participants were recognized for their achievements. This acknowledgment not only served to reward excellence but also inspired others to engage more deeply with their studies and pursue their passions within the realm of computer applications.
